**NOTES**

1. The Channel U65 Radio Network, Tilley Junction to Karara, is owned and operated by Karara Mining Ltd.
2. **U 115** will change to **U 103** planned during 2018.
3. **U 54** and **U 55** will both change to **U 105** planned during 2018.
4. **U 107** will change to **U 97** planned during 2018.
5. **V 73** will change to **U 112** planned during 2018.
6. **V 87** will change to **U 99** planned during 2018.
7. **V 84** will change to **U 91** planned during 2018.

**LEGEND**

- LOCAL** (dashed green line): Radio Channel with no Communications to Network Control. Only provides Local Communications between users (e.g. Train to Train) over a short distance (between 1km and 5km) depending on the type of radio (e.g. Mobile or Portable) and the local terrain.
- (Pink circle): Radio Channel monitored at the appropriate Network Control Centre.
- (Green line): Intermittent coverage of the Network Control Radio Channel
- (Circle with number): Radio type (UHF or VHF) and channel numbers are shown in the circles.  
 e.g. **U 51** is UHF channel 51
- (Cyan circle): Third Party Channels.
