

SAFETY DIRECTIVE

Cancellation or Suspension of a Track Access Permit

The following directive is issued to provide clarity and consistency in the application of rule 1004 in relation to the suspension or cancellation of Track Access Permits.

The following replaces Section 2.2 Cancellation and Suspension of a TAP.

Arc Infrastructure may at any time, suspend the TAP of an Accredited Person for breaches of safety which include, but are not limited to, a failure to comply with Rule 1003 section 2.4 Drugs and Alcohol.

In the event of a Drug and Alcohol breach, or a refusal to participate in testing, an Accredited person's TAP may be suspended for a period of 6 months.

In the event of a safety breach an Accredited person's TAP may be suspended immediately, pending the outcome of an investigation.

Arc Infrastructure may cancel the TAP of an Accredited person for:

- *a serious safety breach*
- *multiple safety breaches; or*
- *multiple Drug and Alcohol breaches.*

This directive expires 31 July 2018 or when the above changes are included into the Network Safeworking Rules and Procedures.
