

NETWORK CONTROL BOUNDARIES

Network Control Emergency Phone Numbers:
Metro Control Centre: 1300 987 246 [1300 9 "TRAIN"]
Picton Control Centre: 1300 687 246 [1300 6 "TRAIN"]

Notes :

- The main telephone number should be used under all normal circumstances.
- The alternative number may be tried if you get a number unavailable message or tone when calling the main "Telephone" number. The "Alternative" number rings through to the same phone on the respective Network Control desk.
- The back up number should only be used when advised that back up telephones are in use at the respective Control Centre. These back up numbers are provided for use only when the main telephone system at the Control Centre is out of operation. Advance notice will be provided for outages due to planned works and the Network Controllers will provide notification of the need to use the back up numbers under fault situations.
