

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Train Delays - Delay Root Cause

The information provided here is general in nature, is indicative only and is not to be relied upon as a representation of the operational performance of Arc Infrastructure's network. We strongly encourage contacting Arc Infrastructure directly for the most up-to-date and relevant information.

This report represents the root cause delay for all trains which entered the network healthy and departed the network unhealthy as per the Train Management Guidelines.

Month	Origin Route	Origin Route Section	Destination Route	Destination Route Section	Delay (min)	Delay Owner
